# LABYRINTH

Dear Audience, I invite you to step into this Labyrinth. Walk barefoot, take off your shoes and socks. Walk slowly, don't speak, concentrate. Be aware of the others in the Labyrinth. Stay inside for as long as you like. A maximum of 5 people can walk at a time.

## GRAZIE PER LA VOSTRA CAMMINO!

In Chartres we find the labyrinth on the cathedral floor inviting the solitary walker on a spiritual pilgrimage. We remember the labyrinth on Crete, where the murderous Minotaur was locked up. Nobody came out alive, except Theseus who conquered the Minotaur helped by his love Ariadne. The labyrinth I made has a special quality, thanks to the help of my mother.
